# OPERATION FAMILY ID

...is a community service program of  
Spokane C.O.P.S. and S.C.O.P.E.

Our mission is to have all children or  
any person who has the potential to  
wander off or become missing have  
identification.

A volunteer takes a digital photo,  
saves it on a disk and gives it to the  
parent or guardian for safekeeping.  
It is recommended that the photo be  
updated annually.

Fingerprints are put on a card and  
included in a packet given to the  
parent or guardian.

A \$1.00 donation is requested to  
cover the cost of the disk and  
equipment. However, no one will be  
turned away because of inability to  
donate.

## Take a digital photo...

## Take fingerprints...

## Take their safety seriously!

## THE AMBER PLAN

In the event that your loved one is  
missing, you can give your packet  
containing the disk and fingerprint-  
ing card to local law enforcement.  
If the situation meets the criteria of  
the Amber Plan, the information can  
be placed on the Emergency Alert  
System.
